

This LOA gives authorization to release existing TFN(s) to IPFINITY GEM01

Existing billing Information as it appears (exactly) on current phone bill:

Company Name:

Full Address (as it appears on your invoice):

Toll Free number(s) to be ported:

Authorized Customer Signature

Authorized Printed Name (as per above signature)

Date

TOLL FREE NUMBER PORTING CAN NOT BE COMPLETED WITHOUT ACCOMPANYING PHONE BILL FROM CURRENT PROVIDER SHOWING CUSTOMER NAME AND ADDRESS.

Do not cancel service with current provider before the toll free port is 100% complete, and confirmation has been provided from IPfinity that the port is complete. Canceling service with current provider before the TF port is 100% complete and confirmed will result in loss of TF, as inactive TFs cannot be ported.
